DIMITAR RISTESKI

JUDGE

Dimitar Risteski was born in 1983. He lives in the city of Prilep in the Republic of Macedonia. Graduated from the Open International University for Human Development in Kyiv, Ukraine. He is currently working at the Faculty of Economics in Prilep, Macedonia as an IT manager. He has been active in photography since 2010. He has participated in numerous domestic and international exhibitions of art photography where he achieved significant results. Dimitar Risteski was the president of the Photo-Cinema Club "Prilep", during his management, the Photo-Cinema Club "Prilep" was reactivated and now this club is one of the most active and key photography clubs in the Republic of Macedonia. In addition, under his chairmanship, numerous international photographic exhibitions have been organized, among which the most important are the traditional international exhibitions: Prilep Salon, Circle, Motion and Photo Aurora. Dimitar was honored to be invited by the jury seat of many domestic and international photography competitions. Photography for Risteski is both love and inspiration in his everyday life.

ROBERT LIE

JUDGE

Robert Lee is an Indonesian photographer. He has received over a hundred medals in salon photography, including Pangea Gold Winner - Creative Siena Awards 2020 in Landscape & Nature, Italy. Lee has been a judge in many international salons and held multiple lectures in art photography. Currently he holds AFIAP, QPSA, A.FPSI*, GPU Cr 2, GPU VIP 2 and GPU Aph distinctions.

VLADIMIR JOVANOVSki

JUDGE

Vladimir Jovanovski, MPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the SSS in Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.

The hand of salvation

The image is a full-page abstract painting. It features a dense, intricate pattern of green and yellow-green shapes, resembling leaves and branches, set against a bright blue background. The overall effect is that of a forest canopy reflected in rippling water. A prominent feature is a large, irregular blue circular shape in the center, which appears to be a reflection of the sky or a gap in the trees. The colors are vibrant and saturated, with a strong contrast between the greens and the blues. The texture is highly detailed, with many small, overlapping shapes that create a sense of depth and movement.
