Jury

Vladimir Jovanovski

Vladimir Jovanovski was born in 1983 in Kumanovo, Macedonia. Active in art photography from his tenth year. In the last ten years he has exhibited his works on 200 international exhibitions in more than 25 countries around the world, whereby he won numerous awards. He was an activist and president in the photo cinema club Kozjak, and is now a member of the photo club Kumanovo.

Honorary member of Image Sans Frontier, Image Colleague Society and Kragujevac Photo Club.

President of IAAP and representative for Macedonia at ISF and UPI. In photography he is no ordinary registrant of things. Around himself he feels the space, light, ambient and life and in search for them he is facing with emotions that he translate into his own photographic creations.

Kosta Dupcinov

He was born in 1985 in Bitola, Macedonia where he lives and works. His love for photography started when he was just a little boy, while he was watching his grandfather taking photos and developing them. He started the professional work in 2006 in a photo studio in Bitola, Macedonia where he was photographing weddings and other events, and also he was working for the national tv Kanal 5. As a member of Photo Club Bitola he started participating on exhibitions in 2011. Since then he has participated in more than 30 exhibitions and won more than 10 awards.

"It has driven me from the beginning, this power we have as photographers to capture people's lives and share their stories, feelings, emotions with millions of people around the world. My mission in life is to use that power for a bigger cause, to give voice to those who go unheard, to make people more aware of everyday problems in our environment and Finally to make a change." - Kosta Dupcinov

Oliver Angeleski

Oliver Angeleski was born in 1983 in Prilep, Macedonia. He started showing his passion for photography in his early years. First he started as a photographer in the national TV in Prilep and couple years later he founded photo and video production in Prilep. He started most of all as a wedding photographer but now in the last 5 years he is active in most of the international exhibition and 2 times he won the Golden Camera 300 award.
