He like photography and is a member of Mersin Olba Photographic Association. Also he is a member of UPI and FIAP. In 2009 he deserved AFIAP title.

He have taken many projects; Fight to Egotistic Gene; Zilistanbul, Hammam, Working Children, etc. And now is a teacher about photography and teaching Composition in his association. His goal is to graduate photography. He have won a special award in Turkey -Yunus Nadi Photography Award in 2013.

Mariya Andriichuk was born in 1983 in Kamyanets-Podilsky, Ukraine. Nowadays she is working and living in Kyiv. Her interest in photography appeared as an unquenchable and passionate desire of self-expression. Her favorite genre is Nude. We find the truth, the beauty, of the human souls and bodies in her works and there is always punktum, some energy from the works, though from the first sight it seems to be like full studium, and it is her main approach, with spiritual story behind. She believes that the best way to come closer to a person's soul is to strip away all the artifice.

Mariya has been active as a professional photographer since 2007. Her first personal exhibition, "Soul Flying", was in 2009 where she presented 27 pieces, which all were sold and now are in private art collections throughout Europe. The same year she received her first international award, the Silver Medal in the prestigious photography competition "Trierenberg Super Circuit 2009" and received recognition from the PSA (Photographic Society of America). In 2010 she took part in an exhibition at Wandergalerie in Salzburg, Austria, and in the Gallery of Arts in Kiev. In 2011 she received the Gold Medal and the First Prize in "Nude" section at "Trierenberg Super Circuit 2011", 3 photo works were published in the limited "Trierenberg Super Circuit Luxury Edition 2011" and "Post Perestroika" book.

Currently she is working as a commercial photographer and continuing her personal art projects, developing her personal vision: A synthesis of spirituality and sexuality as a Visual Poetry.

FIAP BEST AUTHOR

Roland Jensen

I'm very proud and honoured of achieving the result as FIAP best author of Moment 2013.

My keen interest for photography started early 2009 and my main interest is images from nature. In 2011 I participated in the first international competition and also our Danish National Competition and won the Danish Championship. Result of year 2011: 276 acceptances of 94 various images.

My activities in the international competitions increased in 2012. I won the Scandinavian Championship in Monochrome, with 627 acceptances of 158 various images. Among these acceptances: 7 gold medals, 4 silver medals, 3 bronze medals, 20 diplomas in 29 different countries. I achieved the titles: ASDF and AFIAP.

2013 seems to be the year with my very best achievements including 3 championships. A regional championship, Danish Championship, Scandinavian Championship in colours. As of 1st November 2013 I have achieved more than 500 acceptances, among those 7 gold medals, 4 silver medals, 5 bronze medals and 19 diplomas from 106 different images in 22 different countries.

In August I was a member of a jury in Sweden, 13th Malmö, which was my first international task as judge. This was an incredibly instructive and informative process for me.
