## Barbara Schmidt

"You are your own limit, rise above it." (Hafis)

Born and living in the Ruhr area, Germany. She graduated in administrative sciences and retired in September 2015 as a civil servant. Barbara and her Fuji XT 2 have been on the road since May 2014. She learned all by try and error, with lot of love! The motifs are varied, because everything that arouses their interest is photographed! She doesn't go out with the intention of bringing a certain picture with her, but goes to places, where she wants to be and expects what may come there. This brings special pictures, which are very successful. Since the 1st contest, German International DVF-Photocup on 21.03.2016, she got about 500 Honourable Mentions, Medals and diff. other awards from nearly 5000 accepted images. The most important thing for her is love and enjoy working with the camera and the images and meeting people. Photographic focal points:

Architecture, Landscape, Long exposure, People, Nature, Travel, Street, Animals, Competitions

International Titles:

EFIAP, EPSA, GPU CR-3, Hermes, GPU VIP-1, cMoL, AISF, HIUP, + 7
