*Play*  
2019

# Jury 2019

**DIMITAR CHUNGOVSKI** was born in 1979 in Bitola. He came in touch with photography while he was still in elementary school when he started manually producing analog black-and-white photographs. After making a pause during his studies, upon the arrival of the digital era, in 2003, he continued doing photography. He has been an active member of Photo-Cinema Club 'Bitola' since its formation. Chungovski is among the most significant young photographers from Macedonia whose works cannot be ignored. His credo is that author's merit cannot be quantitatively measured. It's measured by how far-reaching the artistic creation is. His photographic skills are not limited to a certain space. He used the same zeal in the creation of various photographic genres, contributing to his own personal growth and at the same time, the development of Macedonian photography. He has received a number of professional awards and certificates at national and international exhibitions of art photography. He has participated in over 50 national and international group exhibitions where he took home a number of awards and certificates. In 2016 he held his first solo exhibition in Kumanovo named 'Two Worlds' where he showcased around 40 photographs. The exhibition was later shown in Bitola, Strumica, Kriva Palanka, Kavadarci and Paracin in the Republic of Serbia.

**BOZHIDAR BARLAKOSKI** was born in 1984 in Prilep. His passion for photography was born in the early 2010s. He is a member of the photo cinema club 'Prilep'. He has received more than 25 international photography awards, as a result of the love he feels toward photography. Among the awards there is the bronze medal for photojournalism from the Toronto Camera Club, PSA silver medal for photography in Cyprus, silver medal from Ukraine, a golden medal for a collection of photos on the 'Macedonian Photography Days' in 2014. He has received a number of other awards and certificates. He was a member of the jury of two international contests for photography. He held two solo exhibitions in Kichevo and Skopje.

**SAMIR ZAHIROVIĆ** was born in 1968 in Tuzla, where he still lives and works. He is a member of the Photographic Association of Bosnia and Herzegovina (AUFBiH), Photo-Cinema Club Tuzla and Art Group Lucido from Lukavac. He showed his work in more than 100 joint exhibitions around the world on all 6 continents. He discovered his love for photography at the age of 12 and at the beginning of his career he mostly worked in the field of photojournalism and war photography. In 1995 in Aachen, as a result of this work, he organized his first solo exhibition Tuzla-Eine Stadt in Europa. His second exhibition Faces of Shiraz was shown in 2017, which were soon followed by two more, Portraits and The Gazes. He was awarded more than 50 different awards, honors and recognitions for his art work: 14 gold, 8 silver, 8 bronze medals and 50 honorable mentions on FIAP exhibitions. On national FOTOBiH exhibitions he was first place winner 7 times. In 2018 he was granted distinction EFIAP (Excellence FIAP) by the International Federation of Photographic Art for his contribution to artistic photography. That same year the Photographic Association of Bosnia and Herzegovina granted him honorary title Candidate for Master of Photography as well as title Instructor of Photography. His artistic expression covers many topics, genres and techniques but mainly he focuses on portraits and architecture. In recent years he specialized in 360° panoramic photography and he became the first Google Trusted Photographer in Bosnia and Herzegovina. His work in this domain can be seen on [www.pano360.ba](http://www.pano360.ba)
