MILORAD KASCELAN

JUDGE

EFIAP/B, MF AUFBIH
BOSNIA AND HERZEGOVINA

Milorad Kascelan was born on 15 November, 1962 in Kotor. He has been engaged in photography since 1984, when he became a member of the Photo Club Student from Podgorica.

In 1987, he became a member of the University Photo Cinema Club from Banja Luka and that was when he began his exhibition activities. So far, he has exhibited his works at over 800 group photo exhibitions and won 200 awards and honorable mentions.

In addition to this, he was a member of the jury at more than 50 photo exhibitions.

In the Photographic Association of Bosnia and Herzegovina, he is a holder of the titles Master Photographer (MF AUFBIH) and EFIAP/b title within the International Federation of Photographic Art (FIAP). As a teacher and an instructor of photography, he was one of the lecturers at over 50 photography courses and more creative photo workshops.

He is one of the founders of the largest photographic exhibition in Bosnia and Herzegovina - BANJA LUKA PHOTO SALON.

He has had 16 independent exhibitions so far.

HULKI MURADI

JUDGE

PPSA, EFIAP/B
TURKEY

Hulki Muradi was born in Mersin, Turkey, where he spent most of his life. Since his childhood, he was interested in art photography and began to deal with it more actively in the 2000s. He served as the Secretary-General of the Board of Directors at Mersin Photography Association between 2003-2010 during two terms. Muradi was a founding member of the Mersin Olba Photography Association, and he served as the President between 2017-2019 years. He served as a jury member many times in national and international photography contests. Muradi, in 2020 he received the EFIAP/S and PPSA titles. Currently, he serves as a PSA volunteer as Region Director of Exhibitions for Turkey, Central Asia, and the Middle East. Also, he is the president of the Camera Obscura Society. For Muradi, a photograph is an expression of feelings differently. Not with tongue itself but expressing the feelings from a person's soul's point of view. For him, photography is the "eye of the soul".
