She has won over 300 awards and 3 Grand Prix (Spain, Croatia) for her photographs, and has been named the most successful author of the salon three times (Slovenia, Macedonia, Dominican Republic). She is the winner of the annual award for photography "Tošo Dabac" for 2013. She has been a member of the Photo Club Zagreb since 2008.

Although she uses a digital camera, her photographic thinking is based primarily on classic black and white photography, and the basic motives are the city, man and silence.

# ZORAN ZDRAVEV

JUDGE

QPSA  
NORTH MACEDONIA

Zoran Zdravev was born in 1963 in Shtip, where he still lives and works. He is a university professor at the Faculty of Computer Science at the Goce Delchev University in Shtip. His love towards amateur photography was born in elementary school and continued throughout his high school years. At this time he was a member of two photo clubs from Shtip 'Vancho Prke' and 'Makedonka'. During his studies in Skopje, he was an active member of the photo club 'Student', formed at the Faculty of Civil Engineering. From 1983 to 1987, he started actively exhibiting in national and international exhibitions where he won several prizes and certificates. From 1985 to 1987, he was the president of the photo club 'Student'. After this prolific period, he focused more on his career and took a break from exhibitions, but he never stopped doing photography and being a creative photographer. He returned to photography in 2018 by taking part in a number of international exhibitions. His photos capture the moment without hesitation. They show realistic scenes, but they also capture the background scenes, commonly ignored by the regular viewer's eye. He aims at documenting the simple forms and structures in a simple composition.
