Bojan Petrovic

He lives in Paraćin (Serbia) and he's a member of Photo Cinema Club "Paraćin". He is also a member of Photo Association of Serbia, where he holds a title of KMF. In FIAP he holds a title EFIAP and he is a honourable holder of the title HonFtGM, which is being awarded by Art atelier "Fotogram" from Belgrade. He exhibited on many international exhibitions, where his photographs were awarded about 130 times. He got on the list of 10 most successful authors in Serbia last year on 7th place, and this year he was announced the most successful author in Serbia and took the first position. His photographs appear in one of the most prestigious magazines in Serbia "Serbia National Revue" also on the cover as inside the magazine. This prestigious magazine has editions in Serbian, English and Russian language.

Istvan Virag, AFIAP

Born on 8/18/44 in Batina (Croatia). Educator, a historical archivist, journalist. Lives in Sombor (Serbia). Is a member of the FKVK "Rada Krstic" in Sombor and of the Photo Association of Serbia, as of the Photo-artistic Foundation "Moholy" in Baja (Hungary). He started practicing photography in the 70's of the last century. The first shots get published on the covers of the "Magyar Képes Újság" newsweek in Osijek (Croatia). Those covers gathered in a solo exposition in Sombor in 2005. Not long after a successful start he put down the camera, to get back to it after a thirty year long break. Other solo expositions follow: "The sky over the plain" (Sombor 2007 and Telecka 2011), "The Channel impressions" (Baja, Hungary, 2011), "Dream visions - photoabstractions" (Sombor, Serbia 2011 and 2012, Budapest, Hungary, 2014). He dedicates himself completely to photography from 2013, after retirement. In almost a year and a half he took part in 70 among national and international expositions, where he collected 36 prizes.

Vladimir Jovanovski

Born in 1983 in Kumanovo, Macedonia. Active in art photography from his tenth year. In the last ten years he has exhibited his works on 200 international exhibitions in more than 25 countries around the world, whereby he won numerous awards. He was an activist and president in the photo cinema club Kozjak, and is now a member of the photo club Kumanovo. Honorary member of Image Sans Frontier, Image Colleague Society and Kragujevac Photo Club. President of IAAP and representative for Macedonia at ISF and UPI. In photography he is no ordinary registrant of things. Around himself he feels the space, light, ambient and life and in search for them he is facing with emotions that he translate into his own photographic creations.

Dear photographers,

We are pleased to share the catalogue for an International Exhibition of Art Photography - Prilep Salon 2014 held under the patronage of FIAP, UPI, PSA, IAAP, ISF and PAM.

As organizers of this International Exhibition of Art Photography - Prilep Salon 2014, we have collected 8276 photos of 594 authors from 66 countries worldwide. The photos abound in specific cultural features giving the exhibition high artistic quality. We are proud to organize, for us the first, International Exhibition of Art Photography - Prilep Salon 2014.

The catalogue, covering the awarded photos grouped into four topics, has already become a permanent and important mark of the world photography by the members of FCC - Prilep and international photographers.

On behalf of FCC - Prilep, as organizer of such exhibition, we would like to express our gratitude to all participants and look forward to the next International Exhibitions of Art Photography in the period ahead.

Dimitar Risteski,
FCC – Prilep President

Sasko Poposki,
FCC – Prilep Vice President

BEST AUTHOR

ZOLTAN BISAK

F1 FSS

He was born on 11th of June in 1981 in Pančevo.

He finished the Secondary school of electrical engineering in Pančevo and Technical faculty of engineering in Zrenjanin afterwards. He currently works as a teacher of craft, draughtsmanship and descriptive geometry in Pančevo.

He has been engaged in creative photography, but also in photography in general, since 2007. He took part in more than 150 collective exhibitions where he was awarded more than 30 prizes and acknowledgement in the country as well as abroad. He is one of the two founders of the Photo group "Dunavac" from Ivanovo and he has been the head of the group for the last several years. Alongside his activities related to exhibitions, most of his time devoted to photography is spent engaging children (from elementary schools in Pančevo and Ivanovo and the photo group "Dunavac") aged 7-17 in photo sections.

He is a bearer of the F1 FSS title and he was most successful by taking photos of nature and doing ambient portraits. Miniatures exhibitions are his favourite.
