International exhibition of art photography

Jury

Vladimir Jovanovski,

EPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the Sille Sanat Sarayı in Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.

Barbara Schmidt

"You are your own limit, rise above it." (Hafis)

Born and living in the Ruhr area, Germany. She graduated in administrative sciences and retired in September 2015 as a civil servant. Barbara and her Fuji XT 2 have been on the road since May 2014. She learned all by try and error, with lot of love! The motifs are varied, because everything that arouses their interest is photographed! She doesn't go out with the intention of bringing a certain picture with her, but goes to places, where she wants to be and expects what may come there. This brings special pictures, which are very successful. Since the 1st contest, German International DVF-Photocup on 21.03.2016, she got about 500 Honorable Mentions, Medals and diff. other awards from nearly 5000 accepted images. The most important thing for her is love and enjoy working with the camera and the images and meeting people.

Photographic focal points:

Architecture, Landscape, Long exposure, People, Nature, Travel, Street, Animals, Competitions

International Titles:

EFIAP, EPSA, GPU CR-3, Hermes, GPU VIP-1, cMoL, AISF, HIUP, + 7

Huiqian Yang
