BARBARA SCHMIDT

JUDGE

EFIAP, PPSA, GPU CR3 VIP1,
AISF, HIUP, CMOL
GERMANY

"You are your own limit, rise above it." (Hafis)

Born and living in the Ruhr area, Germany. She graduated in administrative sciences and retired in September 2015, after more than 40 years as a civil servant. Barbara and her Fuji XT 2 have been on the road since May 2014. She learned all by try and error, with lot of love. The motifs are varied, because everything that arouses their interest is photographed! She doesn't go out with the intention of bringing a certain picture with her, but goes to places, where she wants to be and expects what may come there. This brings special and very successfully images.

Since the 1st acceptance 21.03.2016 at German International DVF-Photocup nearly 5000 acceptances with 500 awards have been given. Photographic focal points: Architecture, Landscape, Long exposure, People, Nature, Travel, Street, Animals, Competitions Member of the DVF - Deutscher Verband für Fotografie e.V.: State Photography Champion NRW 2016, Vice Champion NRW 2017, Third Photography Champion NRW 2018 and 2019. Third place North-German Photography Champion 2018. Third best Photographer North-Rhine-Westphalia, Germany, 2017 and 2018, 2nd in 2019. Since 2015 many certificates and medals, including the DVF Gold Medal for Outstanding Achievement in Gold. Photographer of the month in the journal PHOTOGRAPHIE 04 | 2017 Barbara has extensive experience as national and international judge.

VLADIMIR JOVANOVSKI

JUDGE

MPSA; RISF5; GPU CR3
HERMES
NORTH MACEDONIA

Vladimir Jovanovski, MPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the SSS in Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.
