INTERNATIONAL EXHIBITION OF ART PHOTOGRAPHY

6-13 April 2012, N.U. Center for culture Trajko Prokopiev - Kumanovo

Gültekin Çizgen

Born in Istanbul in 1940, Gültekin Çizgen is the son of one of the leading painters of the Republican era Abdullah Çizgen and history teacher Fatma Adile Çizgen. Gültekin Çizgen, living and working in Istanbul, where – in spite of seeing all of Turkey a few times and 83 countries in five continents in the world – he is ancestrally from, began the Academy of Fine Arts Department of Graphics before finishing Sankt Georg Austrian High School.

In his 51 year of professional career, he produced audiovisual photography, illustration and artistic glass. His work in all areas were materialised in print and included in the museum collections and libraries. He introduced dozens of new names that he trained to the fields of artistic and professional photography. He influenced his era and the next generations with his 'indigenoussness' stance in the art environment and his work.

He is the author of 70 copyrighted publications, being 18 photos albums, 10 essay books on photography and art, 6 books on the technique and aesthetics of photography, 2 memory books, 1 travel book, 6 'The Photography Parade 2010' curations, albums and photo readings, 7 volumes of Yeni Fotoğraf Dergisi (New Photo Journal), 20 catalogues on painting technique and artistic glass.

The founder of Yeni Fotoğraf Dergisi, Gültekin Çizgen is the honorary founding member of Mimar Sinan University Institute of Photography.

Çizgen, who used to be the founder president of Association of Professional Promotion Photographers, is also the member of the founding board of Istanbul Digital Culture and Art Foundation that investigates the effects of digital technologies in cultural life, that brings together the disciplines of art, science, and technology, that supports the creative work. He is also a member of Tuesday Photography Group.

Çizgen, who run 'The Photo Parade 2010' project within the Istanbul 2010 European Capital of Culture events as the artistic director of Fototrek - Photo Center, is also the artistic director of U. Varlı Photographic Art Gallery.

Çizgen, who was the initiator of 'Fatih Municipality - Friends of Photography Association ISTANBUL PHOTOGRAPHY MUSEUM', is the Chairman of the Board and the curator of Friends of Photography Association.
